Details and validity conditions are stated in the annex which forms an integral part of this Certificate and contains 1 page.

This certificate is issued on the basis of voluntary certification, and it does not substitute outputs of the authorized or notified body.

Prague, 12.06.2014

Head of the certification body

1. The product specimen was entered for evaluation and type certification on 10.10.2011.
2. The Certificate was issued on the basis of the documents provided by the client:
  - order No. JM 25/11 dated 07.09.2011
  - appliance for certification dated 10.10.2011
  - test report No. 21138994-003 dated 03.12.2008 performed by TÜV Rheinland
  - certificate TÜV Rheinland No. S 60023826
3. The assessment of factory production control was performed at the product manufacturer concentrating on elements ensuring the continuation of product conformity with certification requirements.
4. Detailed technical data characterizing the product type:  
The ladders are produced of aluminium sections, the max. load is 150 kg, the height 610 – 1683 mm according to the appropriate modifications. The last group of two digits of the designation of modification specifies the number of steps of the one side of the ladder, i.e. 2x3 up to 2x8.
5. The list of important parts of the technical documentation:
  - instructions for use
  - drawings No. 81923000 until 81928000, dated 03.01.2011 - assembly
  - technological procedures for the production of ladders in the company ALMICHA s.r.o.
6. Validity Conditions
  - The certificate shall apply only to its holder and products and production places mentioned therein.
  - The transfer of the certificate by its owner to third parties is inadmissible as well as the use of certificate by third parties.
  - TÜV SÜD Czech shall be notified forthwith of any product modifications compared to the certified specimen. This fact may cause the certificate continuation dependent on an additional conformity evaluation.
  - TÜV SÜD Czech shall supervise the proper functioning of the Quality System at the manufacturer within a period of once a year deadline on the basis of a concluded contract about the controlling activity.
  - The certificate can be renewed on request.
  - The certificate shall only be reproduced complete including all the annexes.
  - The right to use TÜV SÜD Czech certification mark was established to the certificate.
  - The certificate holder commits to keep records of all the relevant complaints concerning the conformity of the products with the requirements of regulations and standards and make those records available to the certification body TÜV SÜD Czech.
  - Not specified items (advertising, use of certification mark and certificates) are governed by the General Conditions for Product Certification, as amended.

This certificate is a revision No. 1 of the Certificate No. 05.444.115 issued 07.06.2012.

This language version of the certificate is a translation of a Czech official version No. 05.444.115, Revision No. 1 issued on 12.06.2014, which is deemed the only one applicable in the event of legal disputes and was printed on 12.06.2014.
